

**Too Lost In You**  
**Sugababes**

**C#m**

You look into my eyes

**G#m**

I go out of my mind

**A**

I can't see anything

**E**

Cos this love's got me blind

**F#m**

I can't help myself

I can't break the spell

**C#m**

I can't even try

I'm in over my head

You got under my skin

I got no strength at all

In the state that I'm in

And my knees are weak

And my mouth can't speak

Fell too far this time

Chorus

**F#m**

**G**

Baby, I'm too lost in you

**F#m**

Caught in you

Lost in everything about you

**C#m**

**G**

So deep, I can't sleep

**F#m**

I can't think

**G**

I just think about the things that you do (you do)

**C#m**

I'm too lost in you

(Too lost in you)

ooh

Well you whispered to me

And I shiver inside

You undo me and move me

In ways undefined

And you're all I see

And you're all I need

Help me baby (help me now)

oooh

Chorus

Bridge :

(I can't eat and I can't sleep)

Yeah, no one can rescue me

ooh ooooh

Oooh, baby, baby, baby

Chorus

(Too lost in you)
