Closer...

Intro : G Am Em

G Am Em  
Love, can you feel what I feel, I feel love, and it's all I feel,  
G Am Em  
I feel love, and it feels so real, it makes time go by,  
C D Am  
But you think, that it's over, and you feel that way,  
Em C  
but it's just so painful now,  
D  
it's nothing at all!  
G D  
Maybe I'm right, but maybe I'm wrong,  
Bm  
making it up as we go along,  
G D  
Don't run away! We're just getting closer...

Intro : G Am Em

G Am E  
So long, we've been building a bridge for so long, it's been fifteen years,  
G Am Em  
it's so long, but you're still right here by my side,  
C D Am  
So to think, that it's over, how to feel that way,  
Em C D  
we can work this out somehow, it's nothing at all!  
G D  
Maybe I'm right, but maybe I'm wrong,  
Bm G  
making it up as we go along,  
D  
Don't run away! We're just getting closer! Yeah!  
G D  
They say love like this can never last,  
Am Em  
they say all those things that make us laugh,  
G D  
It's nothing at all, we're just getting closer!  
D Am Em

There's nothing wrong, there's nothing wrong!

**D**

**Am**

**Em**

Its been far too long, its been far too long to let this slip away
