I really love the movie Surfs Up, and completely loved this song from it.
*Chords listed at end

~INTRO~

B C#m7 D#m7 C#m7 X2

~VERSE~

```
    B                                  C#m7 D#m7      C#m7
The sky turns to a different shade of blue after the rain
    B                                  C#m7 D#m7      C#m7
My mind turns to a different point of view after the rain
```

~PRE-CHORUS~

```
C#m     F# B       E
Ooh my my ooh my my
C#m      F#
Ooh my my I know
```

~CHORUS~

```
B                            C#m7
Like the ocean needs the moon to take the tides away
D#m7                          C#m7
All we need s a little time to chase the blues away
B                            C#m7
Sun is out and it feels like it s always gonna stay
D#m7                          C#m7
Let this last for ever and turn tomorrow into yesterday
```

~INTERLUDE~

B C#m7 D#m7 C#m7

~VERSE~

```
    B                                  C#m7 D#m7      C#m7
Now all the clouds have nothing left to do   after the rain
```

```
      B                                        C#m7 D#m7      C#m7
And all those doubts have drifted out of view after the rain
```

~PRE-CHORUS~

```
C#m     F# B       E
Ooh my my ooh my my
C#m     F#
Ooh my my I know
```

~CHORUS~

```
B                               C#m7
Like the ocean needs the moon to take the tides away
D#m7                            C#m7
All we need s a little time to chase the blues away
B                               C#m7
Sun is out and it feels like it s always gonna stay
D#m7                            C#m7
Let this last for ever and turn tomorrow into yesterday
```

~BRIDGE~

```
B F# G#m F#   G#m F# G#m F#
```

~INTERLUDE~

```
B C#m7 D#m7 C#m7
```

~CHORUS~

```
B                                 C#m7
Like the ocean needs the moon to take the tides away
D#m7                            C#m7
All we need s a little time to chase the blues away
B                               C#m7
Sun is out and it feels like it s always gonna stay
D#m7                            C#m7
Let this last for ever and turn tomorrow into yesterday
```

~OUTRO~

It starts fading out on the 3rd time around.
