

Ode To The Lonely Hearted Sugar Ray

Sugar Ray - Ode to the Lonely Hearted

This is shown in the key of C for simplicity. To play in the original key, transpose to the key of G, and use a capo on the 1st fret.

C F C F C F C F

C F Em A7 F G
Please stay away till the end of the night, where nothing s on the run
C F Em A7 F G
please stay away till I can find the reason and the fun
Am D7 Am Bb
though I ve seen all their happiness I can only be down
Em A7 F G C F C F
go take your soul make an ode to the lonely hearted

C F Em A7 F G
These broken dreams are not what they seem, there s so much more than this
C F Em A7 E G
I can t see how she won t think now of everything we ve missed
Am D7 Am Bb
all the words that have gone before may as well have been none
Em A7 F G C F C F
go take your soul make an ode to the lonely hearted
Em A7 F G C F C F
go take your soul make an ode to the lonely hearted

Bm Em Bm Em
I know it s a real life story but there s so little time
C D F G
I know it s a real nice story but it s easy to find

C F Em A7 F G
These cigarettes won t relieve a thing theyâ€™re just to ease my mind
C F Em A7 F G
I wonder so if she ll ever know of all we ve left behind
Am D7 Am Bb
of the thirty-one dreams we had, thirty-one were my own
Em A7 F G C F C F
go take your soul make an ode to the lonely hearted
Em A7 F G C F C F
go take your soul make an ode to the lonely hearted
Em A7 F G C F C F

go take your soul make an ode to the lonely hearted
