I don t need you to tell me so
The dirty linen
Don t you know?
Is beginning to show
I don t need you

Is it me? that you re looking for
Ahhhh, that you re looking for, that you re looking for?
Is it me?walking out the door
Walking out the door
I ll be like

[Chorus]
Mmmm, I be like
Stay up, stay on
She only wants to see me break down
Stay up, stay on
Yeah
Stay up, stay on
She throws out the little cut-downs
Don t it seem absurd?
Yay ahhh?
You fight all night but you don t get it right
So you drink ten beers cause you don t wanna hear about
Fight all day but the feelings only stay
But there s nothing you can do cause she doesn t like you
Just when you get warm she pulls off the covers
And she leaves and goes straight for her mothers
That s when you wanna look her right in the eye and you hear her say goodbye
Goodbye [10x]

I be like
Stay on, stay on
She only wants to see me break down
I m the last to have heard
Yeah?
Stay up, stay on
She throws out the little cut-downs
Don t it seem absurd
Yay ahhh?
Stay up, stay on
Stay up, stay on

Stay up, stay on
Stay on, on, on
Huh!
Don t every time we meet at this function junction
Not gonna believe the assumed presumption
Wanna talk it out, but it s not gonna be necessary
She s not so fragile, she plays the mercenary
Mercenary nary, nary

Stay up, stay on
She throws out the little cut-downs
Stay up, stay on
Stay up, stay on
Never say goodbye
Never say goodbye
Stay up, stay on
Stay up, stay on
