so I can find someone to call my own

Now that winter has fallen upon us
i need something that s warm and honest
and if i found someone who thinks
that they ll be true to me
i really wouldn t want to change it

I have seen I have seen
what these changes mean to me
If you re thinking of staying with me
we need to agree
we need to make some changes
we need what we need
i need you do you need me?
