Title: Hoover Dam

B A E
Standing on the edge of the Hoover Dam,
F# E F#
I m on the centreline, caught between two states of mind,
B A G F# E
and if the wind from the traffic should blow me away..
F#m E C#m B
and from this altitude, it will come back to you,
Abm F#m E
and don t you know the time,
F#m E C#m B
and all that s left of me is xxxxxx insanity
E
(I can t work outthe last line here)

Then into the next verse the same as above....

like so:

B A E
If the Mississipi should wash me away etc
F# E F#
down to new orleans, and maybe someday in my dreams...

etc.

At the end there is a slightly different chord pattern.

B C#m E

Standing on the edge of the Hoover Dam

B C#m E F#m

I am I am I amI am. (repeat)

Cheers,

Chris.
