Drive All Day
Sugarcult

all chords are flat

intro an open c

verse one:
```
          C    G  D
```
i drive all day to be with you
```
    C    G       D
```
all day to be black and blue
```
    C  G      D                 C         G     D
```
all day to be face to face and watch you turn away
```
         C     G   D
```
theres no way of ever turning back
```
      C  G        D
```
you ll say nothings left in tact
```
    C     G         D                C    G       D
```
now scream along with all the songs the radio plays all day

chorus:
```
G                C
```
i m giving up/ i don t give a ****
```
D                 C
```
i m tired of being ordinary
```
G              C
```
i m giving up i don t give a ****
```
D        C
```
turning away
```
G        C
```
giving up i don t give a ****
```
D                  C
```
i m tired of being ordinary
```
G   C   D  C
```
i ll be ok

(play verse chords over)
verse :
i drive all day to find myself
always alone with noone else
not free under the california sun wasting away
chorus:
bridge:
barchords (palm mute)
G/**D**/**F** 3 times
```
G        D                 F
```
everydays anotherday i can t complain i feel no pain
```
G        D              F
```
everydays anotherday a big mistake i m wide awake i m wide awake

repeat chorus
