

City Of Silver Dreams
Sugarland

City of Silver Dreams by Sugarland
Album: Gold and Green

Capo 1st fret (for original key)

G D G D

G D
The windows in New York City
G D
All dressed up with ribbons and smiles
G D
Snow covers the park like a carpet
G A
Bells on white carriages roll by in style.
G D
St. Patrick s cathedral is all lit up
G D
When the doors open wide I can see
G D
All of those candles burning inside
G A
Looks like somebody s birthday party to me.

G
Snowy night
G
Catch the light
G
Shimmer bright
G D A
Angels sing
G
Here below
G
Children know
G
Faces glow
G D A
Bells they ring
G A D
Through a city of silver dreams

A G A

G D

They hung a star over 5th Avenue

G

D

Like a beacon that s calling you home

G

D

With our gifts we come looking for comfort

G

A

May we find in each other we re not so alone

G

Snowy night

G

Catch the light

G

Shinning bright

G D A

Angels sing

G

Here below

G

Children know

G

Faces glow

G D A

Bells they ring

G

A

G

Through a city of silver dreams

G D A G D A

G

D

Its like this whole town has swallowed some magic

G

D

With a taxi horns singing away

G

D

They say that this city will change you

G

But it ain t me that s been changing

A

from what I can tell.

G

Snowy night

G

Catch the light

G

Shinning bright

G D A

Angels sing

G

Here below

G

Children know

G

Faces glow

G **D A**

Bells they ring

G **A**

Through a city

G **D**

Through a city so pretty

G **A** **G**

In this city of silver dreams.
