

**Genevieve  
Sugarland**

CAPO 6TH

Not exactly sure what chords besides G are being played on the little intro thing....  
but the rest of the song is right

1st verse:

**G**

My heart s grown cold. There s not much left.

**D**

**C**

**G**

My blood won t turn. And I can see my breathe.

**G**

She walks above the angels room.

**D**

**C**

Catch the snow, feels like winter.

**C(PALM MUTE)**

I d do anything to just be with her.

**G, D, C, G, D, C**

2nd Verse:

**G**

Well the world won t turn. The world won t turn.

**D**

**C**

**G**

The frames won t break. And the letter s won t burn.

**G**

The whole thing seemed like Einsteins dreams.

**D** **C**  
See the smoke, start to shiver.

**C** (PALM MUTE)  
I d do anything to just forget her.

**G, D, C**

Chorus:

(TEMPO SPEEDS UP)

**G** **C** **G** **C** **G**  
She s my Genevieve. She s my lazy river.
