Living in Crawford for fifteen years  
**F** **G**  
Nothing much ever happens round here  
**C** **G**  
And, no one believed the water would come  
**F** **G**  
Til the sky grew dark and it swallowed the sun  
**Am** **G** **F**  
And it rained for forty-two nights and forty-two days  
**Am** **G** **F** **G**  
And everything that we love is floating away

(Chorus)

**C** **G**  
How long til our dreams run dry  
**F** **Am** **G**  
Don t know but we re staying  
**C** **G**  
On our knees we raise our eyes  
**F** **Am** **G** **F** **G** **C**  
Holding on and praying to find one blue sky

**C** **G**

**F** **G**  
Cause the preacher swears that the world is ending

Well, if there s a way out, wish someone would show us

**F** **G**  
But the backyard looks like the Rio Grande  
**Am** **C** **G**  
And I wonder will it wash us clean or wash us away

(Repeat Chorus)

**C** **G**  
How long til our dreams run dry  
**F** **Am** **G**  
Don t know but we re staying  
**C** **G**  
On our knees we raise our eyes  
**F** **Am** **G** **F** **G** **C**
