

**Something More**  
**Sugarland**

Verse 1:

**E** **B**  
Monday, hard to wake up  
**C#m** **A**  
Fill my coffee cup, I m out the door  
**E** **B**  
Yeah, the freeway s standing still today  
**C#m** **A**  
It s gonna make me late, and thats for sure  
**B** **A**  
I m running out of gas and out of time  
**B** **A**  
Never gonna make it there by nine

Chorus:

**E**  
There s gotta be something more  
**B** **A**  
Gotta be more than this  
**E**  
I need a little less hard time  
**B** **A**  
I need a little more bliss  
**C#m**  
I m gonna take my chances  
**B** **A**  
Take any chance I might  
**F#m** **A**  
Find what I m looking for  
**B** **E** **B** **A**  
There s gotta be something more

Verse 2:

**E** **B**  
Five years and there s no doubt  
**C#m** **A**  
That I m burnt out, I ve had enough  
**E** **B**  
So now boss man, here s my two weeks  
**C#m** **A**  
I ll make it short and sweet, so listen up  
**B** **A**  
I could work my life away, but why  
**B** **A**  
I got things to do before I die

Chorus:

There s gotta be something more **E**  
**B** **A**  
 Gotta be more than this **E**  
 I need a little less hard time  
**B** **A**  
 I need a little more bliss  
**C#m**  
 I m gonna take my chances  
**B** **A**  
 Take any chance I might **F#m** **A**  
 Find what I m looking for  
**B** **E**  
 There s gotta be something more

Bridge:

**A** **B**  
 Some believe in destiny, and some believe in fate  
**A** **B**  
 I believe that happiness is something we create  
**A** **B**  
 You best believe that I m not gonna wait  
**E** **B** **A**  
 Cause there s gotta be something more

**E** **B** **C#m** **A**  
 I get home 7:30 the house is dirty, but it can wait  
**E** **B**  
 Yeah, cause right now I need some downtime  
**C#m** **A**  
 To drink some red wine and celebrate  
**B**  
**A**  
 Yeah, Armageddon could be knocking at my door  
**B** **A**  
 but I ain t gonna answer thats for sure

**E**  
 There s gotta be something, gotta be something more

Chorus:

**B** **A**  
 Gotta be more than this **E**  
 I need a little less hard time

**B**  
I need a little more bliss

**A**

I m gonna take my chances

**C#m**

**B**  
Take any chance I might

**A**

Find what I m looking for

**F#m A**

**B**  
There s gotta be something more

**E B A**
