Stand Back Up
Sugarland
Sugarland - Stand back up
This song is amazing, definitely one of my favourites. Enjoy! :)
Capo 1
Intro - Cadd9 - D - G = 2x s
(verse 1)
Cadd9 D
  Go ahead and take your best shot,
Cadd9 D
 Let er rip, give it all you ve got,
                  D
                          G
I m laid out on the floor, but I ve been here before,
Cadd9 D
  I may stumble, yeah I might fall,
Cadd9 D
 I m Only human but aren t we all,
                 G
I might lose my way, but hear me when I say,
(chorus)
     Cadd9 D G
I will stand back up,
         Cadd9
                        D
You ll know just the moment when I ve have enough,
      D
                 Em D Cadd9
Cadd9
Sometimes I m afraid, and I dont feel that tough,
      Cadd9 D G - Cadd9 - D - G - Cadd9
But I ll stand back up,
(verse 2)
      D
Cadd9
  I ve been beaten up and bruised,
Cadd9 D
  I ve been kicked right off my shoes,
             D
                  G
Been down on my knees more times than you d believe,
Cadd9 D G
 When the darkness tries to get me,
Cadd9 D
```

```
Theres a light that just wont let me,
Cadd9
                D
                              G
                                           Cadd9
It might take my pride, and my tears may fill my eyes,
       Cadd9
              D
But I ll stand back up,
(bridge)
I ve weathered all these stroms,
But I just turn them into wind, so I can fly,
If What dont kill you makes you stronger,
When I take my last breath,
          D C G D
Thats when I ll just give up,
(lead - G - Cadd9 - G - Cadd9)
(verse 3)
So go ahead and take your best shot,
 Let er rip, give it all you ve got,
                    D
You might win this round but you can t keep me down,
(chorus)
      Cadd9 D G
I will stand back up,
          Cadd9
                          D
You ll know just the moment when I ve have enough,
       D Em D Cadd9
Cadd9
Sometimes I m afraid, and I dont feel that tough,
       Cadd9 D G - Cadd9 - D - G - Cadd9
But I ll stand back up,
           Cadd9
                           D
You ll know just the moment when I ve have enough,
               D
                               Em
Sometimes I m afraid, and I dont feel that tough,
        Cadd9 D
                    Gsus4-G
```

But I ll stand back up
