Will you wait? I will

Am G F7 Em
I m tired since last night and I tried to do things right

C Am
Now it s time to start drinking

D
because my head is shrinking

Em Am
And I hate it when you go

D G B7
Oh, I don t know why I always seems to

Em Am
Hate it when you go

D
Oh, when I know

G B7 Em
that it s time to let it go

The days we spent in bed in the beginning
We swore we d never stop
Moments that we had lost their meaning
Now it s who s first to get up

And I ve tried since last night
but nothing turned out right

Now it s time to start drinking
Cause my head s shrinking
