=====

Letra:

You re running fast and missing but cannot help  
convincing.

The reasons you gave me are all wearing thin.  
It s not meant to hurt you but let me assure,  
It s not what I said but intentions you ve read.

So when you hold onto the past then you  
Will break down what little is left.  
There s nothing more you can t ignore,  
And say it makes no difference to me.

It makes no difference to me

Now that you re older life s weighing on your  
shoulders.  
You can t seem to keep things so perfectly straight.  
With most things so basic you might as well face it.  
You can t help but worry it s all just begun

So when you hold onto the past then you,  
Will break down what little is left.  
There s nothing more you can t ignore,  
And say it makes no difference to me.

Ahh, It makes no difference to me  
Ahh, It makes no difference to me  
Ahh, It makes no difference to me  
Ahh, It makes no difference

So when you hold onto the past then you,  
Will break down what little is left.  
There s nothing more you can t ignore,  
And say it makes no difference to me.

It makes no difference,  
It makes no difference to me,  
It makes no difference,  
It makes no difference to me
