

No brains

Sum 41

F#m **D**

Can t step in my way

A **E**

Head first and love and dismay

F#m **D**

It s like beating the dead

A **E**

I can t stop going out on my head

F#m **D**

Whatever this could be I never know

A **E**

I never said it d be the end all to be all

D

I hate you today

E

I can t find a way

F#m **A**

Don t drag me down now

[Chorus]

F#m

Goodbye

D **E**

I ve had enough frustration

A **G#m**

I won t get stuck

F#m

Goodbye

D **E**

This dead end situation

A **G#m** **F#m** (Palhetando)

Is just not worth my time

F#m **D**

It s no better today

A **E**

I never thought it would end up this way

F#m **D**

You ve got something to say

A **E**

Don t want to hear it if it gets in my way

(**F#m**)

All this confusion is so overwhelmed

Disillusion seems so clear now

Can t find your conclusion to supporting evolution

(Not all) Things aren t what they appear

D

So what s the point of this now

E

I know you too well

F#m A

We re running backwards

[Chorus]

F#m

Goodbye

D E

I ve had enough frustration

A G#m

I won t get stuck

F#m

Goodbye

D E

This dead end situation

A G#m

Is just not worth my time

D E

But waiting so frustrating

F#m (Palhetando)

I m so sick of

D E

All this tension not to mention

F#m (Palhetando)

I m so sick of

D

Can t take it

E

We won t make it

F#m

Just save yourself this trouble

D E

Can t take it quite for yourself

F#m

Cause I m just fine

(**F#m D E A G#m**)2x

(**F#m D A E**)

You speak for all of us when

You can t be heard

I bet you haven t listened

To not one word

You speak for all of us when

You can't be heard

I bet you haven't listened

To not one word

[Chorus]

F#m

Goodbye

D

E

I've had enough frustration

A

G#m

I won't get stuck

F#m

Goodbye

D

E

This dead end situation

A

G#m

Is just not worth my time

D

E

But waiting so frustrating

F#m (palhetando)

I'm so sick of

D

E

All this tension not to mention

F#m (Palhetando)

I'm so sick of

F#m

Sick of you
