Screaming Bloody Murder
Sum 41

Cm   Gm   G#m   D#
I m not quite myself these days
G   G#m
Guess we all come undone,
          D#   **G**
Time to time in different ways, as well
Cm Gm G#m   D#
I have myself to blame,
G   G#m
Guess I don t understand,
      D#   Gm
I need help in many ways.

Cm   G#m
God s got a plain for me?
                              D#
Well I m gonna tell you one thing,
                          Gm
I don t got the patience or the time.
Cm
What can I say?
                          D#
I m no angel, I m not forsaken
    G#m   Gm
But I can bleed!

D#   G#m   D#
Tear me open, I believe;
                  G#m   D#
God will set you up to bleed.
        G#m   D#
And no one can deceive
            G#m
What is meant to be and,
D#   G#m   G
 Bloody murder we will scream.

Cm   G#m
Well I guess it s time for me.
                                  D#

Tell me what I m left to believe
                          Gm   Cm
 Cause I don t know the concept of the pain
I don t want the faith,
I ll just lose it,
D#
I can prove it,
Gm
Watch me bleed!

D#   G#m   D#
Tear me open, I believe;
                   G#m   D#
God will set you up to bleed.

D#   G#m   Gm
 Bloody murder we will scream.
D#   G#m
Tear me open.
