Intro: Acosutic Guitar Palm Mute
Em--C-G-D/F#
Em
Take he pictures of the wall
                              D/F#
erase the thoughts forget them all
   Em
the choice is yours to save yourself
                      G
                              D/F#
and ruined in hands of someone else
Em C G D/F#
ohh ohh
Em C G D/F#
ohh ohh
Em
Broken thoughts and alibis
                   D/F#
               G
conscience disappears in time
A voice is all that I can show
and all that I have is your soul
Em C G D/F#
ohh ohh

Breakdown: Drumbeats, faster beat Piano: **Em-C-G-B/Eb-** x6 Verse 1: Guess I don t have to feel G/B B/Eb Your deadbeat offering Em C Will burn in the gutter G/B B/Eb In the older in the grave Em You ve cursed your C G/B silver spoon B/Eb Em D/F# G B/Eb so black To die Chorus: Well what can I say? Em I guess it s obvious C you would end up this way \mathbf{Bm} When you live Em F D/F# C G amongst the dead The best of luck Em As the one and only Resident Scumfuck Bm Em F D/F# C G A victim or just a tragedy? Verse 2: I hear you talk But I don t hear you speak Bm

You don t make sense C Your mind is incomplete I can t believe all the Bm things that you say You just can t get enough We ll all be waiting in just for the day

(Repeat Chorus)

Guess your time is up!

Verse 3: Silence B/Eb All that I need Is time for me to breathe Em B/Eb

Dream little dreams

C G

That only I believe Em B/Eb

Now that I see

G

Beyond the light

B/Eb

I know I ll be

C G(hold)

I ll be alright
