F#5

People call me through on the telephone wire
They think I'm just available
They think I'm for hire
Leave me alone, leave me alone
You think because I'm on the TV
You can do you want to do with me?
Well I tell you're wrong
And I'll show you this
Leave me alone, leave me alone
No me llames por teléfono , no quiero saber
Yo voy a la esquina, yo voy a beber
Déjame en paz...
Baby don't you know I'm feeling so lone
Nobody's calling me on the telephone
Leave me alone
