

La gota en el ojo

Sumo

Bm  
Rock it out, man  
Sing the song today  
Do it right man  
Night and day

Bm                    A                    Bm  
Rain falls down on me  
Bm  
Rain, rain, rain, rain  
                                 A                    Bm  
Falling down on me

Bm  
It falls on the trees  
And it falls on the stones  
And it falls on the earth  
And old dry bones  
Rain falling all over the world  
Rain falling on the little boys (and girls)

Bm                    A                    Bm  
Rain falls down on me  
Bm  
Rain, rain, rain, rain  
                                 A                    Bm  
Falling down on me

Bm  
It falls in the puddles  
And it falls in the snow  
It falls wherever you go  
It falls in the desert  
When you're dying of thirst  
It falls when you think  
You're the last  
But you're the first
