A-D Durante toda LA cancion

Ooh!!!... in the morning yeah

Ooh!!!... without warning yeah

I´ve got a big bamboo yeah

Up there in Yapeyu

I´ve got a big Nandu

And he runs ´round the pampa

And he runs ´round my house

And he drives me crazy

And he bites my brown cow, now

And you know she´s so lazy

But... Ooh!... in the morning

Ooh!... without warning

You know I reallylove you

You know I really really need you

But I´m so confined now

I can´t feed you

I can´t even read you

But I really,really love you

I´d like to buy a little bike,now

and drive over and see you

But...
