I don't know how long I've loved you  
But I tell you baby, it's been too long  
I couldn't stand another day without you, Lord  
And that's why I sing this song

Even in the morning...

2:

I'm no good, no good  
No good for you righth now  
No good no good  
No good at all  
No good no good  
Hear the policeman call  
No good, no good  
No good right now

2:

Well, I've been living in a fever  
And it's been dragging me and pushing me and dragging  
It could be this, or that, or neither, yeah

And baby, I just run along

1:

Even in the morning...

2:

I'm no good, no good  
No good for you righth now  
No good no good  
No good at all  
No good no good  
Hear the policeman call  
No good, no good  
No good right now
