

No te pongas azul

Sumo

F F7

F G F7  
Don t turn blue In a good friend s bathroom

Bb7 F7  
Don t try to reach the moon

Bb7 F F7  
Trough the things that go on  
F7

In the dark room  
F

Don t let your heart not burst  
Just because you must hide  
F7

We all know, we all know, we all know  
That real life is inside  
And there are you  
With your black fur on  
Just watching me, watching me you

F F7  
Sing this song

Meet me halfway  
It s not that long  
And maybe we ll find

D7 F7  
That we re not alone  
F

Don t turn green with envy  
F7

Don t turn black with hate  
I m moving down the road  
Walking, walking, walking  
Walking, walking down the road  
And I m opening your gate  
And the rain falls on the city

Bb7 F  
And the rain falls on the city  
F

And the rain falls on the city  
Baby, baby, don t turn blue  
And the rain beats down  
And the rain beats down
