Bm A
She came on the southern wind
Bm A
She came like a morning snow
Bm A
She did something to my brain
Bm A
I don't just know quite why
Bm A
She came like a winter wind
Bm A
She came like a summer storm
Bm A
She came and did something to my head
Bm A
And now I'm gone
Bm A
She loves me like a child
Bm A
She loves me like a man
Bm A
She loves me through ten whole years
Bm A
And I know she held my hands
Bm A
I showed her where to go
Bm A
She showed me what to do
Bm A
I'd do the same for me right now
Bm A
That I'd do for you
Bm A
Love like a lady
Bm A
Love me like a baby
Bm A
Love me like a pearl
Bm A
In the heart of a seaman's girl
Bm A
Love like a beauty
Bm A
Love me like a whore
Bm A
Tell me I'm a genius
Bm A

Tell me I'm a bore

Bm A

Come in - go down

Bm A

Do it - don't do it

Bm A

Think it - Don't think it

Bm A

Live it - don't live it
