

## Regtest

### Sumo

intro:[Am Dm Am E7]x4

Some call this happy valley rock:

Am Dm  
play us some music, lord,  
Am E7  
i hope i won't come on too strong  
Am Dm  
you can't refuse it, yeah,  
Am E7  
but yow know you might be wrong

yow could call it reggae,  
you couldn't call it rock and roll  
come on get ready,  
there's a big ball going to roll

Am  
You better get up brother up,  
Dm Am  
brother up get brother up, yeah  
E7  
don't you go too far  
Am  
you better get down, brother down,  
Dm  
brother down, brother down, brother down yeah,  
Am E7  
like a shooting star...

I had a dream oh yeah, in 1973  
I dream a spaceship, lord, come down to deliver me  
It was big and white  
And it had come a long long way  
A black star liner? yeah!  
You know, I could not say  
But it took me up brother, up brother  
up brother, up brother, yeah  
You know, it took me far!  
Then it brought me down brother, down brother  
Down brother, down brother, down yeah!  
Like a shooting star.

Still play my music  
I hope I don't come on too strong  
You can't refuse it, lord  
But you know you might be wrong  
You could call it reggae  
You couldn't call this rock and roll  
Come on , get ready  
there's a big ball going to roll  
You better get up brother, up brother,  
Up brother lord!  
Don't you go too far!  
You better get down brother,  
Down brother, down brother, down lord!  
Like a shooting star.

Acordes:

Am: x02210  
Dm: xx0231  
E(7): 0201(3)0

O bien, para poder mutearlos mejor y darle el ritmo reggae hacelos con cejilla de la siguiente forma.

Am: 577555  
Dm: x57765  
E(7): x776454
