C/G
A girl called time

Took a long long trip
Em
And never never came back

C/G
A boy called fate
Made up his mind

Em
And did it when it was too late

C/G
But a girl called love
That flew to me

Em
From the air around

C/G
She filtered in
Into my skin

Em
She didn't make a sound

D
And every time I look and see her

C/G Em
I feel her sound

D
And everytime I look or hear

C/G B Em
I feel her presence strong and near

The year was young
And many songs were yet there

To be sung
But I was sad
And lost the opportunities
I never had
But a girl came in
Into my ear
and I smile
She changed my life
Became my wife...
