C/G

A girl called time

Took a long long trip

Em

And never never came back

C/G

A boy called fate

Made up his mind

Em

And did it when it was too late

C/G

But a girl called love

That flew to me

Em

From the air around

C/G

She filtered in

Into my skin

Em

She didn't make a sound

D

And every time I look and see her

C/G

Em

I feel her sound

D

And everytime I look or hear

C/G

B

Em

I feel her presence strong and near

The year was young

And many songs were yet there

To be sung  
But I was sad  
And lost the opportunities  
I never had  
But a girl came in  
Into my ear  
and I smile  
She changed my life  
Became my wife...
