SIm
People moving every day
MIm
you know they move so slow
LA
do they know why they are going?
do they know why they go?
look into the book of rules
and tell me what you see
are you all that different
are you just the same as me?

Riff
Waiting for 1989
we don't want no more war...

Love is slipping away
it slips away so fast
I always thought that it would
last and it would last
look into your book of rules
and tell me what you see
am I all that different?
Are you just the same as me
waiting for 1989
we don't want no more war...

Waiting for 1989
Burruchaga es un pescado
and shut that door.
