Verse 1 Chords: (riff 1)

```
      G              C              G              C
Smile down on us sun, show your rays when things come undone
```

G **C** **G** **C**
All animals lead, us to light when we can t see
G **C** **G** **C**
Stars, saturn and moon, glow for those who cannot get through
G **C** **G** **C**
Rain fall and voice sound for those of whom still are not found

Pre-Chorus Chords: (riff 2)

D **C** **D** **C** **D** **C** **D** **C** **G-C x2**
gentle moon, find us soon, gentle moon, find us soon, ahh

Verse 2: Use verse 1 chords (riff 1)

Black sky and black sea, lighten up, when we can t breathe
All dreams escape fire, over worlds, fly but won t tire
Slow down on us wind, hold us still, when everything spins
All secrets and lies, let them out

Pre-Chorus Chords: (riff 2)

Dreams escape fire, they won t tire, dreams escape fire, they won t tire

Chorus Chords: (riff 3)

G **C** **Em** **C** **G** **C** **Em** **C**
gentle moon, find us soon, gentle moon, find us soon

Verse 3: Use verse 1 Chords (riff 1)

All calendars pass, days die off, and hope cannot last
But if love was like stone, then yours was mine, through to my bones
But how can we give back to those, with whom we can t live
When will the flame break and spare the good people it takes

Pre-Chorus Chords: (riff 2)

Awe, souls escape fire, they rise higher, souls escape fire, they rise higher

Chorus Chords: (riff 3)

Gentle moon, find us soon, gentle moon, find us soon (repeat till fade out)
