CRAZY ON THE WEEKEND -Sunhouse

Capo 5th fret

Intro and Verse

C Fsus (drop third finger down one string)

Chorus

Am C F F

I ll go crazy on the weekend
Coming last speaking I m a freak
Wasted all my money on some brown face honey
Now I can hardly speak

Dream, dream, you are just a lucky star
So light up blow my lungs away
Dream, dream, think I m gonna be somebody
Feels like I m losing, losing my way
Losing my way

I m a sucker for my woman
Hair, legs, breast and face
Wasted all my money now it ain t funny
We can t even name

Dream, dream, you are just a lucky star
So light up blow my lungs away
Dream, dream, think I m gonna be somebody
Feels like I m losing, losing my way
Losing my way, losing my way
