Playing Notes: It s a piano track really and quite low key. You can play either
by
all the way through at a higher tempo
or by playing each chord and fill and letting them ring out.

This is a great album from quite a few years ago and relatively unknown.
Original singer
Gavin Clarke who sings in Clayhill and has
recently recorded a few tracks with Unkle.

E (fill) **E** (fill)
A word from you lips is more precious to me

A **E** (fill)
than a thousand pieces of silver and gold

E (fill) **E** (fill)
a moment at your feet is more amazing to me

A E(fill)
than all of the wonders of this whole wide world

B A E (fill)
you lay me down on white clouds floating free

B A E(fill)
you sit me up in tall trees your body wrapped around me

A E (fill)
you...you can make me happy

A E (fill)
you...you can make me happy

E (fill) **E** (fill)
a smile on your face is more beautiful to me

A E (fill)
than the arc of a rainbow in a sunlit sky

E (fill) **E** (fill)
your touch of my flesh is more exciting to me

A E (fill)
than the fortune and fame that may come my way

B A E (fill)
you lay me down on white clouds floating free

B A E (fill)
you sit me up in tall trees your body wrapped around me

A E (fill)
you...you can make me happy

A E (fill)
you...you can make me happy

Repeat to fade
