Am **C** **F**
i don t remember being death
Am **C** **F**
i can t remember hell
Am **C** **Em** **Am**
i don t remember heaven as hell
 C **F**
but a familiar smell

F **C** **Em** **Am**
if your feeling trust you know who i am
 F **C** **Em** **Am**
to be real is a must that s me if i can
 F **C** **Em** **Am**
when i m feeling small it s a bigger land
 F **C** **Em** **Am**
where i try to remember as a child man

Am **C** **F**
canned desease we buy
 Am **C** **F**
in the breeze we let others die
Am **C** **Em** **Am**
then with eas we go and buy
 C **F**
the things we like

F **C** **Em** **Am**
if your feeling trust you know who i am
 F **C** **Em** **Am**
to be real is a must that s me if i can
 F **C** **Em** **Am**
when i m feeling small it s a better land
 F **C** **Em** **Am**
so i try to remember as a child man
 F **C** **Em** **Am**
yes i try to remember as a child man

[i don t tabbed the following part,yet, i couldn t hear the chords, but it would

be very

great when somebody could send it to me! (you can see the e-mail adress at the beginning)]

you know your brain is better than everything

we ve got going wrong

and so with 7 percent we fake

a world in secular survival

i don t like that at all be internal

be internal

if your feeling trust you know who i am

to be real is a must that s me if i can

when i m feeling small it s a bigger land

where i try to remember as a child man

yeah i try to remember as a child man

i m trying to remember as a child man

try to remember as a child man
