

Killed By An Angel
Sunny Day Real Estate

verse 1)

Bm **C** **Am**
Welcome to the lonesome world of abel

Bm **C** **Am**
Where every brother s knife is set to slay you

G **Em**
And paranoia keeps you healthy

A **E**
Crooked deals can make you wealthy

Bm **C** **Am**
Serum vials to help you when you re sad

Bm **C** **Am**
Every other face is bent and broken

Bm **C** **Am**
Wrap your teeth around the only game in town

G **Em**
Made your clothes from insulation

A **E**
Break your day for pay and ration

Bm **C**
Hide

Am
Hide

Hide

(chorus)

Em **G**
Killed by an angel

Lost inside amazing colors

Em **G**
It s never how you feel

It comes in a bottle

Em **G**
Lets say you found a gun

How would your bad side burn?

Em
It s never how you feel

It comes in a bottle.

(verse 2)

Bm **C** **Am**
Relax and all these whores will lick the membrane

Bm **C** **Am**
Just a touch, a stain, a hole in your brain

G **Em**
It s cold when you remove the nails

A **E**
Beg for more when all else fails

Bm **C** **Am**
Serum vials to help you when you re sad

chorus

E **A** **D**
The way the sea reflects the sun, long gone

E **A** **D**
And all the miracles of love, long gone

E **A** **D**
You hold your heart out in your hand

E **G** **E**
One last long sigh gone

E **G** **E**
One last long sigh gone

(verse 3)

Bm **C** **Am**
When you see the sores you can t believe them

Bm **C** **Am**
Pathogenic lovers in the basement cell

G **Em**
Dirty white sheets cut up in strips

Am **E**
Cracks in the mirror and your mind slips

Bm **C** **Am**
Serum vials to help you when you re sad

chorus

Em **G**
Killed by an angel

Em **G**
Killed by an angel
