

Bad
Sunrise Avenue

Quite nice simple song. Enjoy! :)

It should be played with barre chords. So it starts with bass string on 5th fret

and goes down like 4 3 2.

If you have any problem with playing those two chords below you can just use E and

D instead. It ll still sound quite right)

G#/E - 476454

F#/D - 254232
