

Choose To Be Me
Sunrise Avenue

Sunrise Avenue - Choose to be me

G# **B**
I was raised by this town
E **C#**
To believe the words they put inside me
G# **B**
They made me hide
E **C#**
Inside their loving arms around me

G# **B**
I turned away
E **C#**
I choose the path that I believe in
G# **B**
I stand today
E **C#**
Above the shady nights behind me

G# **B**
I fear nothing
E **C#**
But the fact that Iâ€™m afraid of everything
G# **B**
I knew my name
E **C#**
Would only be for lonely riding

Chorus:

B **F#**
Choose to be me
G# **E**
To be free to be my way
B **F#** **G#** **E**
I saw the light shining right in my eyes
B **F#**
Choose to be me
G# **E**
To be free to be my way

G# B E C#

Inside the night

I write the lonely story of my life
It makes me cry
But I want to know it til last line
I fear nothing
But the fact that Iâ€™m afraid of everything
Destiny â€” blow it away
Iâ€™m made for lonely riding

CHORUS:

B **F#**
Choose to be me
G# **E**
To be free to be my way
B **F#** **G#** **E**
I saw the light shining right in my eyes
B **F#**
Choose to be me
G# **E**
To be free to be my way
B **F#**
With a smile on
G# **E**
with a smile

Bridge:

Hey
G#
Every day my sun keeps rising
E
Giving me the strength that I need
B **F#**
All the faith I need for only you and I

G#
Happiness is here with me
E
Itâ€™s made for all the days I see
B **D#**
Happiness is holding me around and round and round and round

|**G# B E C#** **G# B E F#**| (3 times)
