

**Fairytale Gone Bad**  
**Sunrise Avenue**

This is the first tab I kinda modified myself because I found the other ones quite to play. It doesn't sound exactly the same as in the song but it's pretty close I guess.

**Am**        **Em**  
This is the end you know  
**C**  
Lady, the plans we had went all wrong  
**G**        **Em**    **Am**  
We ain't nothing but fight and shout and tears

**Am**        **Em**  
We got to a point I can't stand  
**C**  
I've had it to the limit; I can't be your man  
**G**                    **Em**                    **Am**  
I ain't more than a minute away from walking

Pre-Chorus:

**Em**    **C**            **Am**  
We can't cry the pain away  
      **C**    **G**    **Am**  
We can't find a need to stay  
      **C**        **G**  
I slowly realized there's nothing on our side

Chorus

**Am**        **C**  
Out of my life, Out of my mind  
      **G**  
Out of the tears we can't deny  
      **Em**                    **F**  
We need to swallow all our pride  
      **G**  
And leave this mess behind  
**Am**        **C**  
Out of my head, Out of my bed  
      **G**  
Out of the dreams we had, they're bad  
      **Em**                    **F**  
Tell them it's me who made you sad  
      **G**                    **Am**  
Tell them the fairytale gone bad

Lyric:

**Am** **Em**

Another night and I bleed

**C**

They all make mistakes and so did we

**G** **Em** **Am**

But we did something we can never turn back right

**Am** **Em**

Find a new one to fool

**C**

Leave and don't look back. I won't follow

**G** **Em** **Am**

We have nothing left. It's the end of our time

Pre-Chorus:

**Em** **C** **Am**

We can't cry the pain away

**C** **G** **Am**

We can't find a need to stay

**C** **G**

There's no more rabbits in my hat to make things right

Chorus (2x)

**Am**

Tell them the fairytale gone bad

**Am**

Tell them the fairytale gone bad
