

**Into The Blue**  
**Sunrise Avenue**

**G# D# Fm C# x2**

**G# D#**

Here we are deep in the darkness

**Fm C#**

Wearing midnight air

**G# D#**

You close your eyes and feel my breath

**Fm C#**

Embracing through your hair

**D# G#**

By the bed, the silver moon on you

**D# G#**

Makes me fade away into the blue

**Fm D# C#**

It s you and I. We leave the world behind

Into the blue...

**G# D# Fm C#**

**G# D#**

Only you can hear my whispers

**Fm C#**

Filled with velvet dreams

**G# D#**

The thousand words are floating in the room

**Fm C#**

Like wondrous streams

**D# G#**

By the hand you take me through the night

**D# G#**

We flow across the sky and taste the light

**Fm D# C#**

It s you and I. We leave the world behind

**G# D# Fm C#**

Into the blue we rise, into the blue

**G# D# C#**

Into the silence, we stay the whole night there

**G# D#**

The dawning day undresses us

**Fm C#**

With golden rays of light

**G# D#**

Here we are, a pair of hearts

**Fm C#**

Feeling complete inside

**D# G#**

Right here the whole eternity

**D# G#**

Is smiling all the way for you and me

**Fm D# C#**

It's you and I. We leave the world behind
