

Into The Blue
Sunrise Avenue

F# C# Ebm B x2

F# C#

Here we are deep in the darkness

Ebm B

Wearing midnight air

F# C#

You close your eyes and feel my breath

Ebm B

Embracing through your hair

C# F#

By the bed, the silver moon on you

C# F#

Makes me fade away into the blue

Ebm C# B

It s you and I. We leave the world behind

Into the blue...

F# C# Ebm B

F# C#

Only you can hear my whispers

Ebm B

Filled with velvet dreams

F# C#

The thousand words are floating in the room

Ebm B

Like wondrous streams

C# F#

By the hand you take me through the night

C# F#

We flow across the sky and taste the light

Ebm C# B

It s you and I. We leave the world behind

F# C# Ebm B

Into the blue we rise, into the blue

F# C# B

Into the silence, we stay the whole night there

F# C#

The dawning day undresses us

Ebm B

With golden rays of light

F# C#

Here we are, a pair of hearts

Ebm B

Feeling complete inside

C# F#

Right here the whole eternity

C# F#

Is smiling all the way for you and me

Ebm C# B

It s you and I. We leave the world behind
