

**Into The Blue**  
**Sunrise Avenue**

**G D Em C** x2

**G D**  
Here we are deep in the darkness  
**Em C**  
Wearing midnight air  
**G D**  
You close your eyes and feel my breath  
**Em C**  
Embracing through your hair

**D G**  
By the bed, the silver moon on you  
**D G**  
Makes me fade away into the blue  
**Em D C**  
It s you and I. We leave the world behind

Into the blue...

**G D Em C**

**G D**  
Only you can hear my whispers  
**Em C**  
Filled with velvet dreams  
**G D**  
The thousand words are floating in the room  
**Em C**  
Like wondrous streams

**D G**  
By the hand you take me through the night  
**D G**  
We flow across the sky and taste the light  
**Em D C**  
It s you and I. We leave the world behind

**G D Em C**  
Into the blue we rise, into the blue  
**G D C**  
Into the silence, we stay the whole night there

**G D**  
The dawning day undresses us

**Em C**  
With golden rays of light

**G D**  
Here we are, a pair of hearts

**Em C**  
Feeling complete inside

**D G**  
Right here the whole eternity

**D G**  
Is smiling all the way for you and me  
**Em D C**  
It s you and I. We leave the world behind
