

Into The Blue
Sunrise Avenue

Bb F Gm Eb x2

Bb F

Here we are deep in the darkness

Gm Eb

Wearing midnight air

Bb F

You close your eyes and feel my breath

Gm Eb

Embracing through your hair

F Bb

By the bed, the silver moon on you

F Bb

Makes me fade away into the blue

Gm F Eb

It s you and I. We leave the world behind

Into the blue...

Bb F Gm Eb

Bb F

Only you can hear my whispers

Gm Eb

Filled with velvet dreams

Bb F

The thousand words are floating in the room

Gm Eb

Like wondrous streams

F Bb

By the hand you take me through the night

F Bb

We flow across the sky and taste the light

Gm F Eb

It s you and I. We leave the world behind

Bb F Gm Eb

Into the blue we rise, into the blue

Bb F Eb

Into the silence, we stay the whole night there

Bb F

The dawning day undresses us

Gm Eb

With golden rays of light

Bb F

Here we are, a pair of hearts

Gm Eb

Feeling complete inside

F Bb

Right here the whole eternity

F Bb

Is smiling all the way for you and me

It s you and I. We leave the world behind
