

## Lifesaver

### Sunrise Avenue

Thats my first tablature. I couldn t find tabs from this song in the whole internet. So i wrote some chords ;)  
Hope you enjoy!

Capo 1.

[Verse 1]

**F**                      **C**              **Am**  
I m fighting to hard to win  
**F**                      **C**              **Am**  
Back on the ground again  
**F**                      **C**              **Am**  
I feel like giving in  
**F**                      **C**              **Am**  
But you re my second wind

**F**      **C**  
Don t you ever tire  
                 **Am**          **F**  
Facing all my fires  
                 **C**                                      **G**  
I don t need no one but you right now

So, I say

[Refrain]

**C**          **Am**                              **F**                              **C**  
Oh, my friend, you re holding out your hand  
         **F**                              **C**                              **G**  
I take it like an oar from the depth  
**C**          **Am**                              **F**                              **C**  
Hey, Lifesaver, I m drowning in despair  
                 **Am**                              **C**                              **F**  
But you re fighting for me right until the end.  
                                 **F**                              **C**  
You pull me back to land and save me once again

[Verse 2]

**F**                      **C**              **Am**  
You help me wash away  
**F**                      **C**              **Am**  
The insane mistakes I made  
**F**                      **C**              **Am**  
And I see it in your face  
**F**              **C**              **Am**  
My only source of grace

**F** **C**  
No, I don't take for granted  
**Am** **F**  
All the time you've wasted  
**C** **G**  
Making sacrifices for a fool

So, I say

[Refrain]

**C** **Am** **F** **C**  
Oh, my friend, you're holding out your hand  
**F** **C** **G**  
I take it like an oar from the depth  
**C** **Am** **F** **C**  
Hey, Lifesaver, I'm drowning in despair  
**Am** **C** **F**  
But you're fighting for me right until the end.  
**F** **C**  
You pull me back to land and save me once again

[Bridge]

**F** **C**  
You lift me higher,  
**F** **C**  
You hold the fire,  
**F** **C** **F**  
You make me strong enough to stay  
**F** **C**  
You lift me higher,  
**F** **C**  
You hold the fire,  
**C** **F**  
Made up stand tall  
**F** **C**  
But without you I'd fall

[Refrain]

**C** **Am** **F** **C**  
Oh, my friend, you're holding out your hand  
**F** **C** **G**  
I take it like an oar from the depth  
**C** **Am** **F** **C**  
Hey, Lifesaver, I'm drowning in despair  
**Am** **C** **F**  
But you're fighting for me right until the end.  
**F** **C**  
You pull me back to land and save me once again

[Outro]

**F** **C**  
You lift me higher,  
**F** **C**

You hold the fire,

**C**                **F**                **G**                **C**

You make me strong enough to stay!
