**Am G C**  
You say the ride is over  
**Am G Am**  
You want to leave the road behind  
**Am G C**  
Untill the day you walked away  
**Am G F**  
You make the world be all mine

**G C F**  
I`ll be cool tought it gets colder and colder  
**G C F**  
I`ll be fine cause it`s not over

**F Am F**  
Cause my dream are all blind  
**G C G**  
They take me back to our time  
**Am F G**  
And make you be mine only  
**Am F**  
Let me leave tears behind  
**G C G**  
I dry them only for you  
**Am F G**  
And make you be mine only

**Am G C**  
All the finest moments
