

**Thats All  
Sunrise Avenue**

**A**  
Câ€™mon now, this is all we have  
**D A**  
And we need to make it right  
**D A**  
We just need to stay this brave  
**E**  
I know we can make it

**A**  
Câ€™mon now, this is all we want  
**D A**  
I know it deep inside  
**D A E**  
I can feel my heart just beatingâ€™ for you and for me

**E D A**  
And itâ€™s all gonna make us crazy, I know it  
**E D#8595;**  
And itâ€™s all gonna be a bit strange

**E**  
I will eat you alive  
**A**  
Kiss you to clouds  
**E A**  
Tell you â€œI Love Youâ€• till you say â€œstopâ€•

**E A**  
Youâ€™re gonna get the stars and the moon  
**E**  
Thatâ€™s all

**E**  
I will hold you forever  
**A**  
Send you away

**E**  
Miss you like hell

**A**  
Until you come back

**E A**  
Weâ€™ll be the happy ones, till the end

**E**  
Thatâ€™s all  
**A A**

(next verse like the first one &#9786; )

Câ€™mon now, I can see you’re scared  
I’ve seen that look before  
I’ve see the same kind of lost look  
Deep in my own eyes  
And câ€™mon now, this is all there is  
This is all there ever can be  
It’s more than we can ask for  
Let’s try to write it

And it’s all gone be a bit strange, I can feel it  
And it’s all pretty upside down

I will eat you alive  
Kiss you to clouds  
Tell you “I Love You” till you say “stop”  
You’re gonna get the stars and the moon  
That’s all  
I will hold you forever  
Send you away  
Miss you like hell  
Until you come back  
We’ll be the happy ones, till the end  
That’s all [2x]
