 D **A**
We just need to stay this brave
 E

A
Comon now, this is all we want
 D **A**
I know it deep inside
 D **A** **E**
I can feel my heart just beating for you and for me

E **D** **A**
And its all gonna make us crazy, I know it
 E **D**;
And its all gonna be a bit strange

E
I will eat you alive
 A
Kiss you to clouds
E **A**
Tell you "I Love You" till you say "stop"
 E **A**
Youre gonna get the stars and the moon
 E
Thats all
 E
I will hold you forever

Send you away

Miss you like hell

Until you come back

(next verse like the first one ;)

Câ€™mon now, I can see youâ€™re scared
Iâ€™ve seen that look before
Iâ€™ve see the same kind of lost look
Deep in my own eyes
And câ€™mon now, this is all there is
This is all there ever can be
Itâ€™s more than we can ask for
Letâ€™s try to write it

And itâ€™s all gonne be a bit strange, I can feel it
And itâ€™s all pretty upside down

I will eat you alive
Kiss you to clouds
Tell you â€œI Love Youâ€• till you say â€œstopâ€•
Youâ€™re gonna get the stars and the moon
Thatâ€™s all
I will hold you forever
Send you away
Miss you like hell
Until you come back
Weâ€™ll be the happy ones, till the end
Thatâ€™s all [2x]
