

**The Whole Story**  
**Sunrise Avenue**

It s been hard to come to you lately / **Am F**  
It s been easier to stay away / **Am F**  
And I can t feel the heat / **Am**  
Not the one that we would need / **F**  
There is something wrong / **Am**  
There s a wall in between / **F G**

Wait we can t fall now / **C G**  
We cannot leave all we have / **Am**  
I know it hurts and feels bad / **F (G)**  
We should stay and just fight back / **C G**  
We had it ones all the way / **Am**  
The whole story / **F**

And it will hurt but i d be glad to take the pain / **F G Am**

I ve been trying to touch you the sweet way  
You tried kissing me like the early days  
But it s all very cold and it tears me apart  
Yeah it s too damn cold  
but we just can t stop now

Wait we can t fall now  
We cannot leave all we have  
I know it hurts, and feels bad  
We should stay and just fight back  
We had it ones all the way  
The whole story

And it will hurt but i d be glad to take the pain away / **F G Am G**

Pain is a side of love we choose to live with you know. / **E F**  
After the rainy day the sun will shine so / **E F G**

Wait we can t fall now  
We cannot leave all we have  
I know it hurts  
Wait we can t fall now  
We cannot leave all we have  
I know it hurts and feels bad  
We should stay and just fight back  
We had it ones all the way, the whole story  
And it will hurt but i d be glad to take pain away  
And it will hurt but i d be glad to take pain
