

The Whole Story
Sunrise Avenue

It s been hard to come to you lately / **Am F**
It s been easier to stay away / **Am F**
And I can t feel the heat / **Am**
Not the one that we would need / **F**
There is something wrong / **Am**
There s a wall in between / **F G**

Wait we can t fall now / **C G**
We cannot leave all we have / **Am**
I know it hurts and feels bad / **F (G)**
We should stay and just fight back / **C G**
We had it ones all the way / **Am**
The whole story / **F**

And it will hurt but i d be glad to take the pain / **F G Am**

I ve been trying to touch you the sweet way
You tried kissing me like the early days
But it s all very cold and it tears me apart
Yeah it s too damn cold
but we just can t stop now

Wait we can t fall now
We cannot leave all we have
I know it hurts, and feels bad
We should stay and just fight back
We had it ones all the way
The whole story

And it will hurt but i d be glad to take the pain away / **F G Am G**

Pain is a side of love we choose to live with you know. / **E F**
After the rainy day the sun will shine so / **E F G**

Wait we can t fall now
We cannot leave all we have
I know it hurts
Wait we can t fall now
We cannot leave all we have
I know it hurts and feels bad
We should stay and just fight back
We had it ones all the way, the whole story
And it will hurt but i d be glad to take pain away
And it will hurt but i d be glad to take pain
