

**Empty Threats Of Little Lord
Sunset Rubdown**

The other tab I found wasn't the whole thing, so I simply completed it. Anyways,
great song, easy to play and fun to sing. Enjoy!

Intro: **Dm G E Am**

Am
If I ever hurt you it will be in self-defense

Am
If I ever hurt you it will be in self-defense

Dm G E Am

Am
Podiums as high as the gallows are low

F E Am
Swing low, swing low, swing low.

Dm G E Am

Am
You are a beast and I am serving up your supper

Am
You are a beast and I am serving up your supper

Dm G E Am
Oh, oh, oh

Am
What will you do when they drink us all down?

F E Am
Will you slam your fist down on the table?

Dm
Cause I'm not that kind of whore

Bb
No, I'm not that kind of whore

Dm G
No, I'm not that kind of whore

Em Am
But I am a little lord.

F E
No, I'm not that kind of whore

Am
But I am a little lord.

F E
No, I'm not that kind of whore

Am C

But I am a little lord.

C

Lord, grant me, gracious,
I am burning up inside.

C

There are snakes out in the night;
All these kids have gone astray;
There are women with no meaning to their names
When we say them- they are worse to win

E F E

For never over sinful days?

Am

So if I ever hurt you
It will be in self-defense
And if I ever hurt you
It will be in self-defense

Dm G E Am

Am

If you ever come at me
I will hurt you

F E

If you ever come at me

Am

I will hurt you

F E

If you ever come at me,

C

You snake.

Am

You snake

C

You snake

Am

You snake

You snake

C

Dm

I wish you the best, you snake.

G

You are self-professed, you snake.

F

My hearts in my chest, you snake.

C

You can have the rest, you snake.

C

Dm

I wish you the best, you snake.

G

You are self-professed, you snake.

F

My hearts in my chest, you snake.

Am

You can have the rest, you snake?
