

Fragile Happiness
Super Furry Animals

Band: Super Furry Animals
Song: Fragile Happiness

Verse:

C **Em** **F** **G** etc
Well that fragile happiness
Keeps me from forgetting
That this fragile happiness
Keeps me afloat when I m sinking

Chorus:

C **F** **G**
The first generation
Caused such a sensation
Gave all an elation
D
For I m in Deep Space Nine
G
Hitting wormholes all of the time

Verse:

But that fragile happiness
Stops the nightmares when I m sleeping
And where Catholic s confess
From my guilt there s no escaping

Chorus:

We ll go to Miami
Take old friends and family
We ll stay out and party
Does Will Smith lie?
Does he ever cave in and cry?

Whistled solo to finish:
