

Hit And Run Super Furry Animals

SUPER FURRY ANIMALS - Hit And Run

My favourite SFA B-side, this was originally on Demons.
They might ve put it on Outspaced but i haven t got that, so i don t know.

E

History just fades to insignificance
Listen to what I ve got to say

A F#

Now what would you do?

A F#

If you were in my shoes?
Tell me

E

Previously to this I had no adventure
Life was just a Jurassic lark

A F#

Now what would you do?

A F#

If it happened to you?
Tell me

E

Hit and run

F#

Blow my mind

A

Get it together

B

Leave your future behind

E

DNA

F#

Make my day

A B E F#

Found the key to a parallel universe

A B E F#

Found the key to a parallel universe

A B

Don?t tell me I ve lost it

G A

(Gone, gone, gone, gone, gone, gone, gone)

E

Found the eggs one night up by the quarry
Then I hid them underneath of my bed

A F#

If I only knew

A F#

For I had not a clue!

Now I ve

E

Pterodactyls flying ?round my attic
They were incubated by the boiler

A F#

They re green with some blue

A F#

What on earth will I do?

Tell me

E

Hit and run

F#

Blow my mind

A

Get it together

B

Leave your future behind

E

A B E F#

Found the key to a parallel universe

A B

Don?t tell me I ve lost it

G A

(Gone, gone, gone, gone, gone, gone, gone, gone)

E

Will the dinosaurs come back and haunt us
I ve a bet down fifty-to-one
And with the money maybe
