the verse go like this:

riff a x2  
riff b x2

then the choruses go like this  
slides based around riff a x1  
slides based around riff b x1  
riff c  
then some slides that i cant work out.

You can easily play the chorus riff a, riff b, riff c,  
and then stop until the verses start again....but if you  
can figure these slides out mail them to the site ASAP!
